Women In Bio's Continuity of Support

Mentoring

WIB's mentoring programs support women and girls in various stages of their life sciences journey.

Executive Training

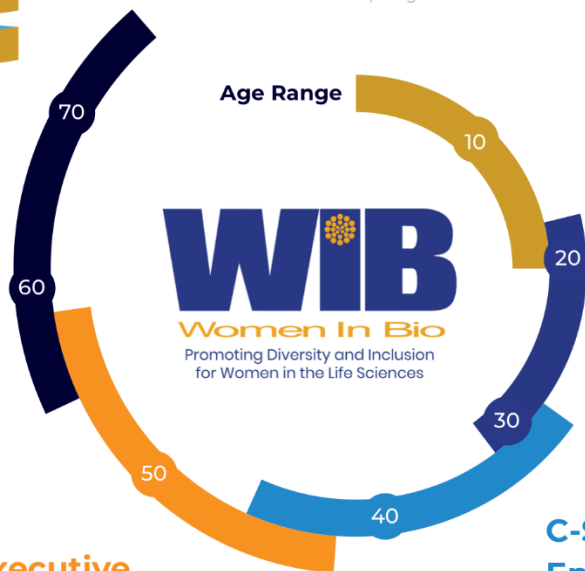

The Boardroom Ready program prepares exceptionally qualified WIB members for board service. Elevates, promotes, and places highly qualified women to corporate boards.

Curiosity

This inspiring WIB program creates programs and events for young girls, igniting curiosity and inspiring success!

Igniting curiosity. Inspiring success.

Engage, Educate, Empower

Women In Bio, a national organization, was founded in 2001 to support women employed in the field of life sciences from the classroom to the boardroom.

C-Suite Engagement

Executive Women In Bio (EWIB) strives to be a foundational resource for women in executive roles, empowering them to be the best leaders & influencers they can be.

EXECUTIVE WOMEN IN BIO

Empowering transformative leadership

Women In Bio is an organization of professionals committed to promoting careers, leadership, and entrepreneurship of women in the life sciences.

**Engage.
Educate.
Empower.**

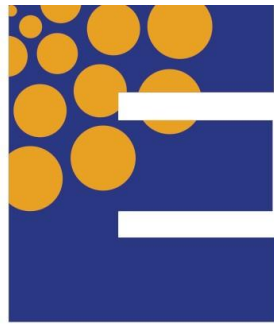

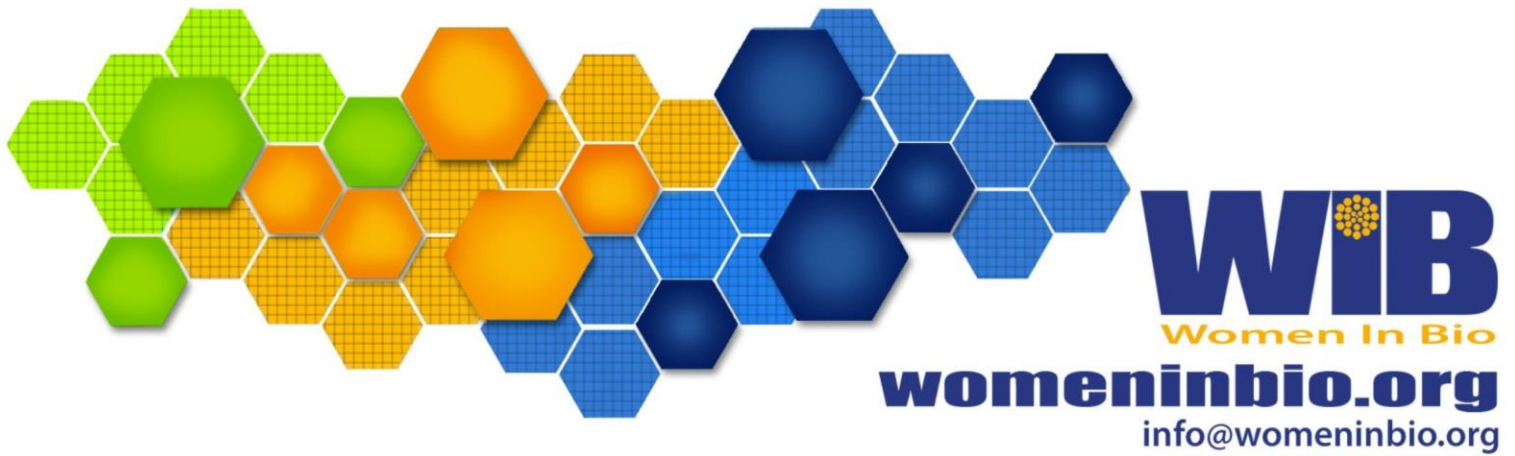

Igniting curiosity. Inspiring success.

Young Women In Bio creates programs and events geared towards encouraging middle and high school girls to consider the life sciences as a career choice.

The events ignite girls' curiosity in biotechnology while nurturing a business and entrepreneurial spirit.

Women In Bio is an organization of professionals committed to promoting careers, leadership, and entrepreneurship of women in the life sciences.

EXECUTIVE
WOMEN IN BIO

Empowering transformative leadership

Executive Women In Bio (EWIB) strives to be a foundational resource for women in executive roles, empowering them to be the best leaders & influencers they can be. We champion for greater diversity by substantially bolstering the presence of women in the C-suites and boardrooms of life science companies.

Women In Bio is an organization of professionals committed to promoting careers, leadership, and entrepreneurship of women in the life sciences.

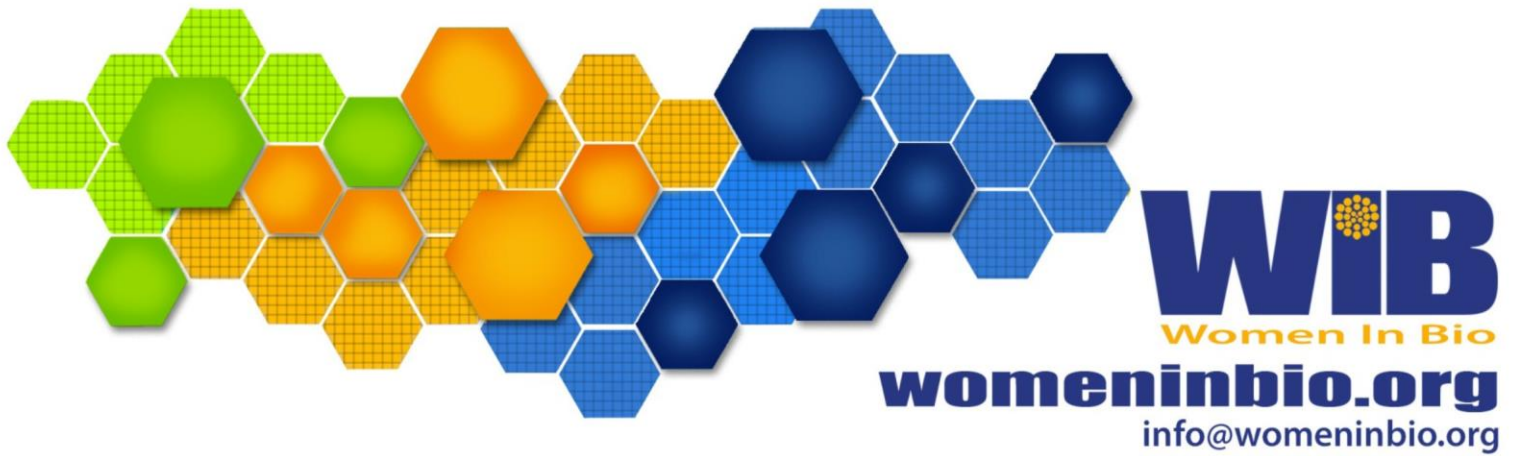

Engage.
Educate.
Empower.

“We are making a real difference in achieving greater gender diversity on corporate boards.”

The Women In Bio Boardroom Ready Program

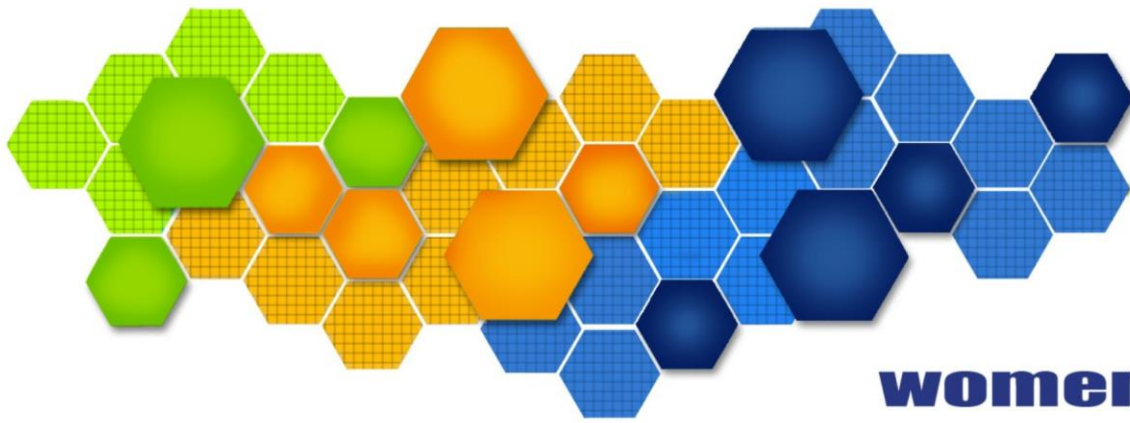

Prepares exceptionally qualified WIB members for board service. Providing board certification training in financial literacy, board governance, financial strategy, crisis management, investor relations, and more. WIB offers assistance in seeking public and private corporate board opportunities.

MAPS

(Mentorship, Advisors, Peers, Sponsorships)

Women In Bio's mentoring programs support women and girls, in various stages of their life sciences journey. Whether it be One on One or Peer Learning, we mentor STEM Programs, Entry/Mid-Level Women, Executives, and Life Science Entrepreneurs.
